- Open to public inspection for a section 527 political organization.
- Generally not open to public inspection for the other organizations that must file this form.

If a non-section 527 organization files a copy of Form 990, or Form 990-EZ, and attachments with any state, it should not include its Schedule B (Form 990 or 990-EZ) in the attachments for the state unless a schedule of contributors is specifically required by the state. States that do not require the information might make the schedule available for public inspection along with the rest of the Form 990 or Form 990-EZ.

See the Instructions for Form 990 and Form 990-EZ for phone help and the public inspection rules for those forms and their attachments, which include Schedule B (Form 990 or 990-EZ).

**Contributors Required To Be Listed on Part I**

"Contributor" includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations.

**General rule.** Unless the organization is covered by one of the special rules below, it must list on Part I every contributor who, during the year, gave the organization directly or indirectly, money, securities, or any other type of property totaling \$5,000 or more for the year. Also complete Part II for a noncash contribution. In determining the \$5,000 amount, total all of the contributor's gifts of \$1,000 or more for the year.

**Section 501(c)(3) organizations.** For an organization described in section 501(c)(3) that meets the 33⅓% support test of the Regulations under sections 509(a)(1)/170(b)(1)(A)(vi) (whether or not the organization is otherwise described in section 170(b)(1)(A))—

List in Part I only those contributors whose contribution of \$5,000 or more is greater than 2% of the amount reported on line 1d of Form 990 (or line 1 of Form 990-EZ) (Regulations section 1.6033-2(a)(2)(iii)(a)).

**Example.** A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on line 1d of its Form 990. The organization is only required to list in Parts I and II of its Schedule B (Form 990 or 990-EZ) each person who contributed more than the greater of \$5,000 or \$14,000 (2% of \$700,000). Thus, a contributor who gave a total of \$11,000 would not be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization exceeded \$5,000, it did not exceed \$14,000.

**Section 501(c)(7), (8), or (10) organizations.** For noncharitable contributions to one of these organizations, list in Part I contributors who gave \$5,000 or more as described in the **General rule** discussed above.
